HEAD OF SCHOOL

Happy New Year!

I pray you and your family had a wonderful holiday season and are settling into the new year in good health.

RHCA staff returned to school on January 3rd and refocused our minds on RHCA's mission and the influence of classical Christian education. Our conversation settled on the thought that the seeds of learning planted in the minds of classical Christian students grow into strengths and talents that amaze us. The ability to memorize, speak to an audience, and hold a conversation with peers and adults will serve our students for their lifetime. The foundation for much of this learning is the consistent pattern of habit training and structure offered in a classical Christian classroom. The staff and I are excited to see all the spring semester will bring and witness the growth of our students in body, mind, and spirit.

Happy New Year. May God keep you and your family happy and healthy throughout the year.

In His Service,
Mrs. Floyd
